DESCRIPTION: Feel the adrenaline and enjoy the sensation of flying through the trees - the route consists of 9 cables with a double cable. The safety of our cables is annually checked and certified by the Association for Technical Equipment of Extreme Sports in the United States of America and verified by Argent Health and Safety, making it one of the safest guided tours of the cable car to Punta Cana. The base ropes are attached to a high rock, you can enjoy a wonderful view of the Caribbean coast and beautiful landscapes. The tour also includes a number of interesting ecological routes, a path through the suspension bridge and ferrata (a railway built into the rock).

Posted: It will be a fascinating adventure of your whole life!
