DESCRIPTION: Travel through the remote farmland of northern Punta Cana, where you will enjoy the beautiful landscape of palm trees, tobacco plantations and the Oriental Mountain Range. These narrow and isolated country roads provide the perfect opportunity to get a little wild!

The views are great and you get to experience that off-road feeling.

Taste Local Cacao, Coffe at the typical local Ranch

The first stop is at a quaint country ranch where you will be introduced to local

produce such as cocoa, coffee, tobacco and green tea leaves, as well as Mamajuana, a Dominican aphrodisiac elixir. You then bounce back into action as you journey to the next stop, a beautiful cave formation. The best part of all is that this cave features a deep natural swimming pool that is just perfect for cooling off!

Access to Macao Beach: Cited by UNESCO as one of the best beaches in the World! After visiting the hidden countryside cave, you'll bounce over to the shores of the stunning Macao Beach. This amazing coastal stretch is one of the few remaining sections of Punta Cana that is still wild and beautiful. You will have time to enjoy the gorgeous palm trees and crystal blue water of this spectacular Caribbean Beach before going back
