DESCRIPTION: Las Vegas is a unique and fragrant oasis in the heart of the Mojave Desert.

Having many different names, both "Sin City" and "City that does not sleep", it is also the World Capital of Entertainment.

During our exclusive car-walking tour around the city, we will visit the following attractions:

Sign "Welcome to Las Vegas!"

This is the place where not only every self-respecting tourist tries to be imprinted, but in any film or video about Vegas you will surely see this neon-shining historical sign meeting every visitor!

The famous Strip hotels: Venetian, Bellagio, Wynn, Luxor

We will drive along the very heart of the Strip city and stroll through the most iconic and famous hotels that attract not only their design outside, but also the stunning installations and attractions that are inside each of these huge complexes. Hotels in Las Vegas is a separate attraction!

Historic Las Vegas

We will make a short excursion into the past, having swept through historical Las Vegas. It was here that a city was born in the desert, it was here that the first casinos built with the money of the mafia were opened, here there are small chapels in which the Hollywood stars arranged their fast marriages. It is here that we will be able to see neon advertisements on hotel facades (in the evening) and understand the difference between the new and historic Vegas
