DESCRIPTION: NEW ZEALAND & AUSTRALIA

1 day.

Arrival in SYDNEY. Meeting with the group and transfer to the hotel in the center of Sydney.

Sydney - the largest metropolis of Australia, the capital of New South Wales.

Such a distant and unusual for us the city will appeal to any tourist.

It is unlikely that anyone will be indifferent to the magnificent building, known throughout the world, the visiting card of Australia - the Sydney Opera House (SYDNEY OPERA HOUSE)

or the magnificent bridge of the Harbor Bridge (HARBOR BRIDGE) - one of the largest arched bridges in the world, where the New Year's Eve show is held.

The most beautiful buildings of the city - the House of Queen Victoria and the City Hall of Sydney - can not be forgotten.

We also recommend visiting the Sydney Tower (SYDNEY TOWER) with a height of more than 300 meters with a rotating restaurant and panoramic views, where you will be offered dishes of crocodile, kangaroo and seafood. From the observation deck of the tower you will see a beautiful view of Sydney and the surrounding area. You can even see the Blue Mountains.

We can not fail to mention the Royal Botanic Gardens Sydney and the huge HYDE PARK.

Young people can immerse themselves in a fun nightlife by visiting many of Sydney's trendy towns such as The WORLD Bar or Rock Lily Bar with live music, or the NightGarden GoodGod, where you can dance.
