DESCRIPTION:

Our trip will begin at 7am in Sunny Isles Beach.

We will follow next direction north-west of Florida on the Miami-Sarasota-St. Petersburg-mineral lake-Miami route.

The first city on our way is Sarasota with its magnificent RINGLING museum complex, which includes the art museum, the most amazing circus museum, the most exquisite Ca D'Zan, the former home of the circus king and his wife. After breakfast we will visit the unique museum of Salvador Dali , the second largest (after Figueros). You will gain positive emotions you will make photos.

After lunch, we will leave St. Petersburg. Our final destination is Warm Mineral Springs. It is an unique natural mineral spring, which is located in a beautiful place. Miracle Lake contains 51 minerals and it has no equal in the USA. The temperature in the lake is constant-30 degrees, which creates a special microclimate. Bathing here is not only useful, but also extremely pleasant. Even in the hot summer months, the heat does not feel in the water.

We will spend here 2 to 3 hours. We will return fully rejuvenated to Miami
