Day 5. Excursion to Kamakura and Enoshima (09: 00-19: 00).

Type of transport: public transport.

We offer you a fascinating excursion to the sea coast of Japan.

Your first stop will be the ancient city of Kamakura, the capital of the first Japanese samurai government. Kamakura is called the small Kyoto eastern part of Japan. The city still preserves its historical appearance with temples, gardens

and cozy souvenir streets.

You will see a 13-meter bronze statue of the Buddha "Daibutsu".

In the park on the coast you will visit the oldest Buddhist temple of Hase-dera, founded in 736, with the 11-meter wooden statue of the goddess of mercy Kannon and the cave of the gods-patrons of arts and crafts Benten. From the observation platform of the temple of Hase-dera, you will see a magnificent panorama of the sea coast and the center of Kamakura.

After that we will move to the volcanic island of Enoshima, located in Sagami Bay. You will visit the operating lighthouse "Sea Candle" with a viewing platform at an altitude of 100 meters.

On the shore of the bay there is a unique water complex "Eno Spa" with saunas, thermal healing baths in cave grottos and an open-air swimming. We invite you to relax and breathe fresh sea fragrance and see the magnificent sunset from the pool above the sea shore.

Return to Tokyo.

* It is necessary to have swimsuits with you. In winter, the outdoor pool is closed. Visitors with tattoos are strictly forbidden to enter.

The cost of excursion per person in US dollars (with a group of 4 people):

Adults: \$200 Children 6-12 years: \$170 Children under 6 years (free of charge): free of charge.

Day 5 Visiting Disney parks.

Excursion with a guide on public transport. The beginning at 9:00; return - yourself.

If you are planning a trip to Japan, whether it is an independent trip or a family vacation with children, go to the world famous theme parks - Tokyo Disneyland and Disney.

Tokyo Disneyland is the first park of Walt Disney Company outside of

America. The park is divided into seven themed zones with attractions, music parades, circus performances and colorful fireworks. Disneyland covers an area of 465 thousand square meters and is considered the most beautiful of all the theme parks of Walt Disney in the world.

In the pedestrian accessibility is located and Disney's Park - the only marine version of Disneyland. The park consists of several ports and sea areas.

Here and the Port of the Mediterranean, the ship Titanic and the Lagoon of the Little Mermaid, the Valley of the Lost River, the Eastern Harbor and the mock-up of a volcano about 50 meters high.

For those wishing to visit both Disney Parks, at a discount price, invitation 1.6 "Two days in the world of Walt Disney" is given.

Our Russian-speaking guide accompanies you to the Park, guides you through the program of visiting the park.

Make your child's vacation an unforgettable holiday!

Independent return to the hotel.

The cost of excursion per person in US dollars (with a group of 4 people): \

Adults: \$ 196 Children 4-11 years: \$150 Children under 4 years without a seat: free of charge

Day 6 Excursion to Nikko (09: 00-19: 00).

Type of transport: public transport

We will move to the Nikko National Park is a UNESCO World Heritage Site..

Nikko houses the most impressive treasures of Japanese wooden architecture, which, framed by age-old pines and cryptomery, are beautiful at any time of the year.

Visits to the majestic temple complex Toshoyogu, dedicated to the deified shogun Tokugawa Ieyasu.

Transfer to the magnificent mountain lake of Tuzendzi, here you will have lunch and a visit to the former imperial villa of Tomozawa. This villa mixes the architectural traditions of the Edo period and the influence of the Meiji modern style. The bright beauty of Japanese nature, clear air and delightful landscapes will accompany you all day long. Return to the hotel in Tokyo.

The cost of excursion per person in US dollars (with a group of 4 people):

Adults: \$260 Children under 12 years: \$215 Children under 6 years (without meals and seats): free of charge.

Day 7 Excursion to Yokohama (09:00 - 17:00) by public transport.

Transfer to the city of Yokohama. We will visit Minato Mirai district (translated into Russian as the "Port of the Future of the 21st Century"). We will climb to the observation deck of one of the highest skyscrapers in Japan "Landmark Tower" (296.3 m). You can admire the views of the city from a bird's eye view, as well as ride on a high-speed elevator, listed in the Guinness Book of Records.

As well as, you will walk around an area of old brick warehouses, where festivals and events are often held. Free time for lunch.

Furthermore, we will visit the traditional landscape garden of Sankaïen, with magnificent trees by the river, above which rises a wooden pagoda.

Adults: \$185 Children under 12 years: \$155 Children under 6 years: free
