### DESCRIPTION:

The legendary nature of the East is contained in its fairy—tale possessions, which for thousands of years have lived in the souls of the peoples of the whole world and which have real origins, but until now, even in the conditions of the development of science and technology, they will remain undisclosed, mysterious and mythical.

Hundreds of oriental legends were (are) on the territory of today's Tajikistan and with the participation / contribution of the ancient Tajik people.

Consequently, some of them, having natural and cultural—historical features are covered by this tourist route as the Pamir — the Roof of the World, the Sarez Lake, the Ancient Karon, the Hulbuk Fortress, the Ajina—Teppa, the Ancient Sarazm, and others.
